## TAMPA MAN REGAINS HEALTH WITH ANDES

T. B. MALONE TELLS HOW HE SUFFERED FOR 15 YEARS WITH STOMACH TROUBLE

Good Results Obtained In Short Time

I am seventy-two years of age and for anyone to find relief at that advanced age after suffering fifteen years I consider remarkable, said T. B. Malone of No. 2704 Florida Avenue, this city, the past week. Continuing he said: I have been a great sufferer from acute indigestion, insomnia and from stomach trouble and fill up with gas and that would cause my heart to beat fast, sometimes these attacks would come on in the night and I could hardly get my breath. I would get out of bed in order to get relief. This trouble made me extremely nervous and I slept very poorly. In fact my feed just seemed to poison me.

The first bottle of Andes seemed to relieve this trouble entirely, after several days I felt very much stronger. My food did not ferment as before and I do not notice the distress feeling after eating. My appetite is good and I relish my food, and I sleep well. In fact, I feel much improved in every way.

Andes is not like other medicines I have used. It seems to soothe my stomach, and it is a fine tonic, too, because I can digest what I eat and that makes the stomach strong. I am only 155 glad to recommend it. You may rest assured I will speak a good word for it to my friends.

Commenting on Mr. Malone's statement, A. G. Payne said: Dyspepsia or indigestion, as it is more commonly called, is not only one of the most distressing, but one of the most prevalent of all present day diseases; it is also one of the most difficult to treat, and has baffled the medical profession for years, the most skilled specialists being unable to cope with it successfully.

In the treatment of this trouble it is important to quit all injurious habits. No treatment can give you strength while violating the laws of nature. Andes, "The Master Medicine," which has proved of such great benefit to those who suffer from this trouble, contains certain medicinal properties, which, being purely vegetable, are readily taken up by the system, thereby stimulating the appetite and converting the food into nourishing elements. This is why Andes is proving such a boon to stomach sufferers.

Andes' Prescription, so highly recommended by T. B. Malone, 2704 Florida Avenue, Tampa, Fla., is on sale at Arcadia by Arcadia Drug Store, the exclusive agents.
